

15 April 2016

Dear Parent/Carer

GCSE Photography Exam – Tuesday 19 and Wednesday 20 April 2016

As I am sure you are aware, your child will sit the practical element of the GCSE Photography exam on Tuesday 19 and Wednesday 20 April 2016. The practical element of the exam involves taking, editing and presenting photographs for their final piece. The students will have 10 hours to complete this part of the exam.

Included in the 10 hours is the time your child has already spent taking photographs for the exam. We would therefore be grateful if you could please acknowledge the number of hours that your child has spent taking photographs for this purpose.

The time spent will then be deducted from the 10 hours allocated. Time spent travelling to and from the location **should not** be included in the time allocation.

Please complete and return the reply slip below on Monday 18 April 2016.

Yours sincerely

Mrs K Lamkin Mr M Wheatley
Teachers of Photography
