

Computing Teacher
Part-time 0.8 (4 days)
This position could suit a qualified teacher or ECT
Main Scale £30,000 - £41,333 FTE (£18,000 - £24,799 pro rata)

An exciting opportunity has arisen to join our Computing Department at Applemore.

Following our recent, successful Ofsted inspection (October 2024) where Applemore College was awarded GOOD across all four categories we are delighted to be able to offer a post of Computing Teacher from Easter 2025. Applemore is a place where, *“relationships between staff and pupils are supportive and compassionate and pupils are happy and safe”* - Ofsted 2024.

Applemore is a family. We promote positivity, empowerment and create possibilities for all our community to thrive and are always looking for opportunities to celebrate success. We take time to know each of our staff and students as individuals and guide them to achieve. We create lifelong memories through our commitment to whole school productions, concerts and leadership opportunities and invest heavily in our extra-curricular offer with trips, visits and clubs integral to students' everyday experience. We work in partnership with our families and ensure that they too can share in their child's achievements. Our staff are committed, passionate, and really care and promote a positive learning environment with high expectations so that everyone can thrive. We work hard to ensure our staff and students are confident, kind, happy and successful and are equipped with the tools they need to live happy and successful future lives.

At Applemore we work hard to get the best of each other. Our ambition means that we look to go further every day and warmly welcome you all to share in our exciting journey by applying for a role teaching Computing at our school.

Through this teaching role, you will be delivering KS3 Computing following the Raspberry Pi programme of study and must have a confident understanding of Python programming to deliver GCSE Computer Science. A passion for extra-curricular opportunities for our students in Computing would also be advantageous. There is potential for this role to include teaching some Enterprise & Marketing and/or Mathematics.

If this sounds like you, we would love to hear from you. Our Head of Computing would welcome the opportunity to show you around or indulge in conversation via email. Contact James Kemp at: j.kemp@applemore.hants.sch.uk

We look forward to hearing from you.

Application Procedure

We are committed to providing equality of opportunity at all stages of the recruitment and selection process, as well as ensuring the process fully supports safer recruitment.

If you wish to apply for this post, please review the full job description for this role and then complete and return your application form to Becci Ashley at: b.ashley@applemore.hants.sch.uk

Please note that we will not accept CVs in place of an application form, nor accept any applications from agencies.

Applications will be assessed upon receipt, and we reserve the right to interview and appoint prior to the closing date. An early application is therefore strongly advised.

Closing date: Tuesday 22nd April at midday
Interview date: Wednesday 30th April
