

Salary:	Grade C, Step 1, £10,155 pro rata
Hours:	Term Time only
Starting:	September 2025
Contract:	Permanent – Part time – 18 hours a week
Responsible to:	Subject Leader of Art and Photography

Please note that we may be able to operate flexibility regarding the total number of working hours, and the working days, for the right candidate.

Following our recent “Good” Ofsted (Oct 2024), we are seeing to recruit an enthusiastic and committed Art and Photography Technician to support our talented and creative Subject Leader and dedicated team of teachers.

Main Responsibilities

The ideal candidate will be able to demonstrate:

- Excellent organisational and interpersonal skills
Maintaining equipment, material and resources and preparing for lessons
- Excellent ability to use initiative and solve problems
Checking stock levels, ordering necessary equipment, receiving and checking deliveries
- An understanding of how to provide technical support to teaching staff within Art and Photography
Some subject knowledge of Art and/or Photography to offer technical support to students in class
- An ability to work proactively within a team
Ensuring all students have what they need to be successful in lessons

Professional Standards

- To support the aims, values and ethos of the school as defined through school policies and the school improvement plan

Other Responsibilities

- To support the school in achieving its vision
- To ensure effective communication with all staff and students
- To undertake any reasonable supervisory duties as required
- To undertake all training as required
- To treat other staff with respect and remain professionally generous and positive at all times
